Mr. Donald E. Coleman, Jr.

[REDACTED]

Dear Donald:

As a participant in National Coin Week 1966, we thought that you might be interested in a copy of the Coin Week information for 1967, which is enclosed for your note.

The ANA has opened its membership to juniors, ages 11-21. A new NCW classification has been initiated for NCW 1967 as a Junior category. This may be of special interest to you, as this first year of competition would be a great time to compete for honors in this new category.

Information on the ANA's new Junior Membership and an application are enclosed. You do need the signature of your parents or guardian before forwarding your application for membership. Should you need another ANA sponsor, if you do decide to join, we would be happy to sign your application and forward it on to the Executive Director in Colorado Springs.

Should you have any questions, please do not hesitate to let us know. Thank you for your interest and efforts for Coin Week.

Sincerely yours,

Rick & Virginia Bronson
